"SURPRISE SALE"

Tomorrow we inaugurate something new to Washington shoppers—a "SURPRISE SALE"—offering great big bargains from all over the store. The "price surprises" are not confined to any one line—but embrace almost every department in the house. Every item tells its own story of unusual saving and all contribute to make Wednesday's "SURPRISE SALE" one of the most attractive features this store has planned in a long while.

Of each article in the three groups below, we have endeavored to supply ample quantities—but the prices are so low and the values so great that it would not be surprising if some of the lots did not last all day.
